

GLASS TABLE LAMP BIBE

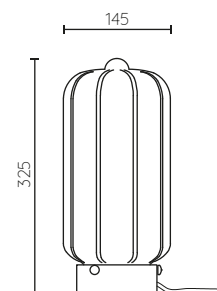

An intriguing shape rooted in Art Deco. A well-balanced combination of classic elegance with modern design. Functional and beautiful.

Glass Table Lamp Opaline Deco is an elegant combination of a traditionally hand-blown glass lampshade of a milky colour with a stable modern base made of brass. The elongated lampshade with an intriguing, although not immediately obvious, cross-section of a flower, combines the typical Art Deco floral inspiration with a passion for geometrical form.

Table Lamp Opaline Deco is addressed to all those who value sophisticated and well-designed interiors with a hint of Art Deco.
