

Cork Grenade Tablet Lamp

The charming small Grenade shape glass is made in traditional Polish glassworks. Glass is hand blown into the cast mould to give the quality and feel of its historical design. We have added a linen cable and porcelain core, also made to the original specifications with a wonderful hand glazed finish and the cork base giving a slightly Scandinavian feel to the lamp. Although with a vintage shape the peaceful, simplicity of the natural materials used makes this a perfect choice for contemporary or rustic interiors.
