EL_P_10

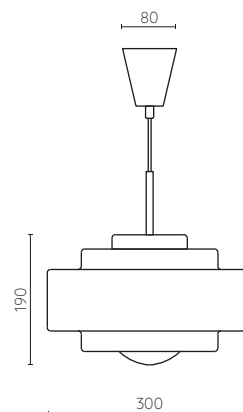

The MémOIRE glass pendant lamp – a discreet charm of decadence.

MémOIRE is a shape inspired by the geometry of the Art Deco style. The lamp was designed in the Embassy studio and handmade with great attention to detail. Its lampshade is produced in the traditional method of blowing into a mould, using three layers of opal glass. It is topped with a massive nickel-plated lid, giving the lamp an elegant silver shine.

The MémOIRE lamp has been created for interiors designed in a spirit of timeless aesthetics.
